

# Fiber Connect Plus TV for higher education

Keep your students satisfied by providing a reliable and extensive HDTV service.

Engage, inform and entertain students and staff with access to live TV featuring entertainment, news, sports and international channels. With Fiber Connect Plus you can deliver leading HDTV services and choose from over 200 channels in a wide variety of packages to meet any viewing need. Programming is distributed over inside wiring to make a direct connection to the TV, eliminating set-top boxes.

## Product highlights

- **Ensure reliable service:** Experience highly reliable video services with a dedicated and private fiber network connection to your college or university.
- **Increase programming options:** Offer your students a broad range of programming options, with a wide variety of packages, featuring news, sports, music, entertainment and international language channels to create an outstanding viewing experience. See our programming bundles and packages at [enterprise.spectrum.com/channels](https://enterprise.spectrum.com/channels).
- **Promote your school:** Insert custom content to communicate and promote your special events, activities and location highlights to keep students informed and involved.
- **Scale for growth:** Enjoy the flexibility of adding outlets or channel packages as viewer needs change.

## Add-on or standalone service

- **SpectrumU:** Deliver live and on-demand streaming TV for students to watch anytime, anywhere on campus using personal devices.

Backed by local technicians and 24/7/365 U.S.-based support, Spectrum Enterprise can help you confidently meet your entertainment needs. Simplify your vendor management when you partner with Spectrum Enterprise as your single provider for TV, networking and voice services.
