

Protecting your profits just got a lot easier

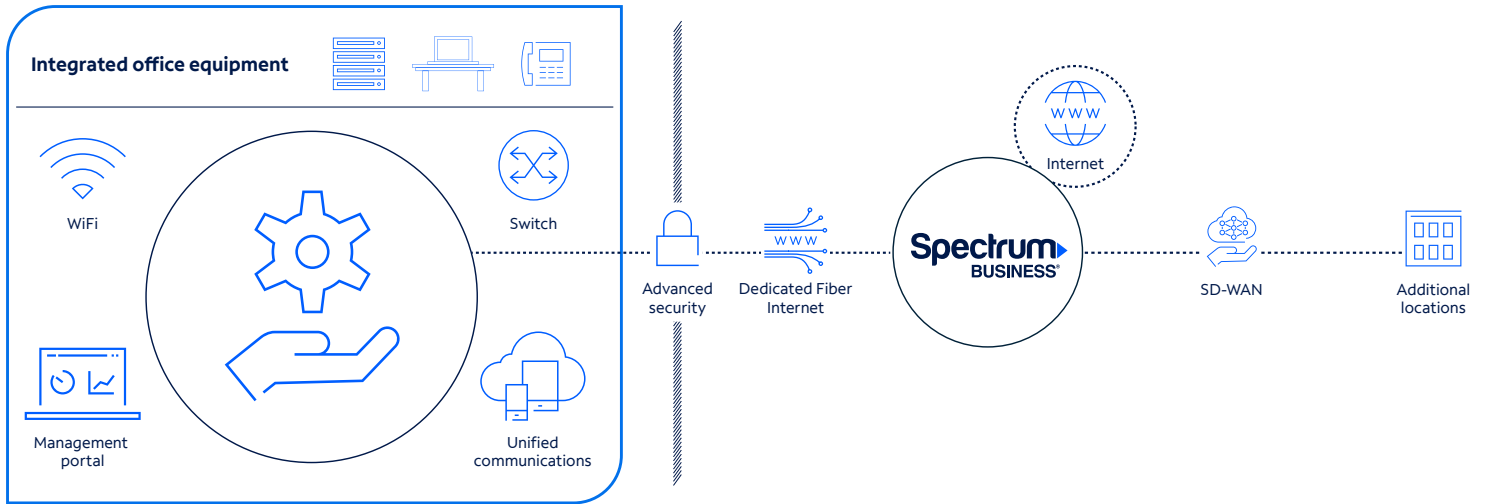

Managed Workplace Package for franchises

One solution. One platform. One partner.

- One platform for secure connectivity, communications and equipment.
- Immediately increase technology expertise and support available to your organization.
- Gain efficiencies with a single point of contact for installation, billing support and equipment maintenance.
- Choose what works best for you with a range of options — from co-managed to a fully managed solution.
- Eliminate upfront capital costs and save operating expenses by including network hardware, maintenance and repairs for one predictable and transparent monthly cost.

Managed Workplace Package for franchises

One solution. One platform. One partner.

100% uptime SLA*

Services backed by a service-level agreement (SLA) that includes 100% uptime all the way to the handoff point at your location.

WiFi

Provide customers and employees secure and simple access to your network for better experiences.

Management portal

Boost your bottom line by analyzing data to better manage and drive volume and margins.

SD-WAN

Quickly and easily scale your network while improving application performance with intelligent bandwidth allocation.

Advanced security

Mitigate risks with an integrated and auto-updating security solution managed by our network experts.

Switch

Streamline your business operations by seamlessly integrating multiple existing systems, like POS.

Unified communications

Seamlessly communicate and collaborate with calling, video conferencing, messaging and more in a single application.

Dedicated Fiber Internet

Improve productivity with fast and consistent connectivity to the internet, data centers and cloud providers.
