

SOLUTION BRIEF

RUNNING YOUR PRACTICE JUST GOT A LOT EASIER

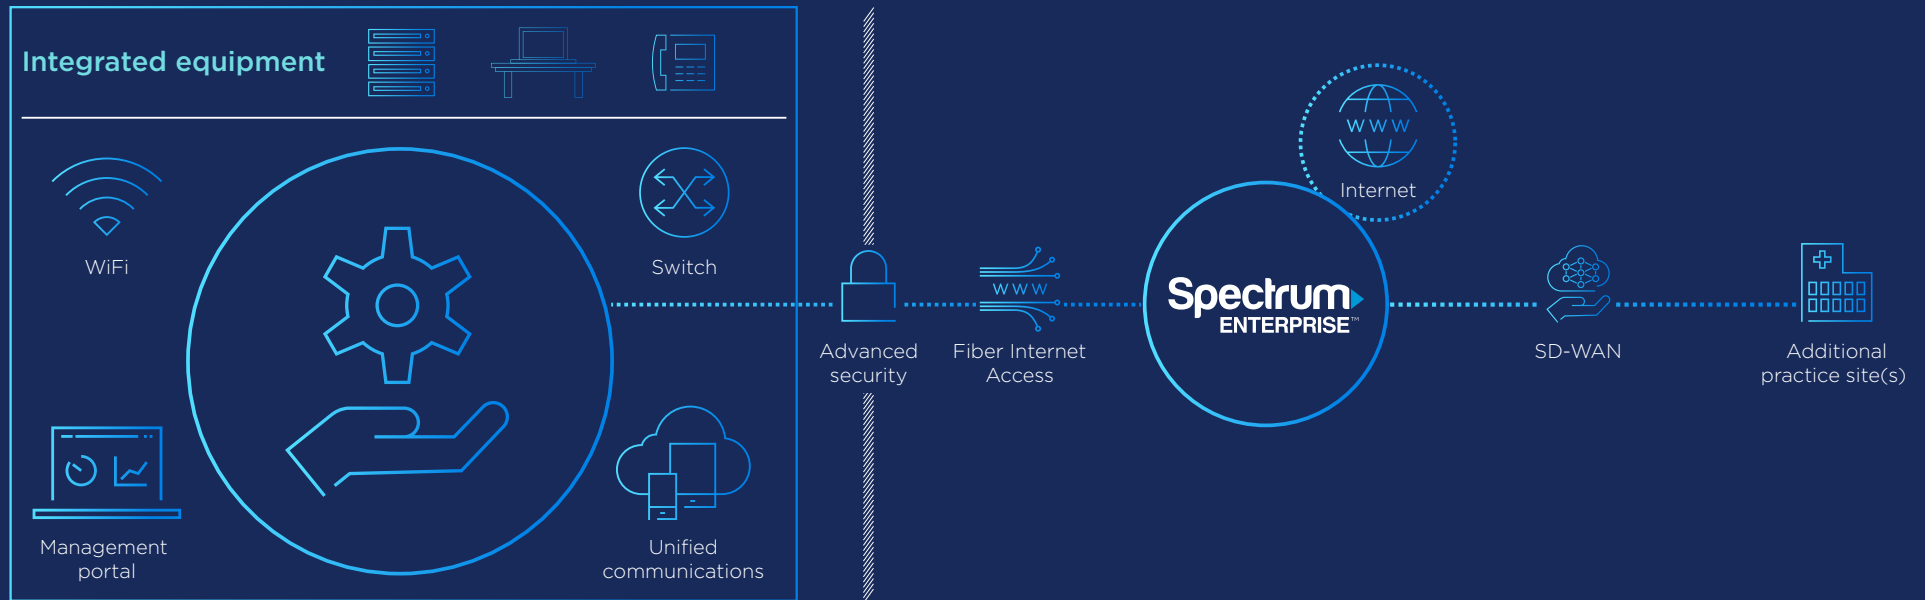

- One platform for secure connectivity, communications and equipment.
- Immediately increase technology expertise and support available to your healthcare practice.
- Gain efficiencies with a single point of contact for installation, billing support and equipment maintenance.
- Choose what works best for you with a range of options — from co-managed to a fully managed solution.

Managed Practice Package

One solution. One platform. One partner.

Managed Practice Package

ONE SOLUTION. ONE PLATFORM. ONE PARTNER.

Fiber Internet Access
Power your productivity via our dedicated, high-performance internet service.

Advanced security
Mitigate risks with an integrated security solution managed by our network experts.

WiFi
Deliver secure and simple access to your network for employees and patients.

Switch
Reduce complexity by connecting your existing office infrastructure.

Management portal
See and control your entire network from anywhere via a single, cloud-based portal.

Unified communications
Support telehealth goals and remote workers with a simplified and easy-to-use solution to handle your voice, collaboration, video and data needs.

SD-WAN
Quickly and easily expand your network to additional sites and cloud services while improving application performance with intelligent routing capabilities.
